

NOTICE

Is hereby given to all the Settlers who reside upon the Half-Breed Tract and hold no Decree title by purchase, that the Board of Directors of the "Half-Breed Association" will meet at the House of Richard Brown, Esq., in Montrose Township, on Saturday, the 14th of September, for the purpose of electing Directors to fill vacancies in the Board, and to transact some other business of the utmost importance.

The Treaties relative to the Tract, and the laws both of Congress and of the Territorial and State Legislatures, and the Decisions of the Territorial, State and Federal Courts in reference to said Tract will be read at said meeting, in order to afford the settlers interested, correct information upon the subject, and give them an opportunity of acting understandingly in the premises, and with greater unanimity hereafter.

It is hoped and expected that every Settler will attend the meeting, and provide for and protect his interest.

It is thought advisable that the Settlers meet, at least, once each year, and examine the proceedings of the Board of Directors. The Decision of the Supreme Court, in the case of Powell and others vs. Spalding and others, on Demurrer, will be read at said meeting, if the same is given and can be obtained.

KEOKUK. August 23. 1850.

GARRY LEWIS,
Secretary of the Board.
